Notice to Applicant Regarding Replacement of Individual Accident and Sickness or Long-Term Care Insurance

Mutual of Omaha Insurance Company
Mutual of Omaha Plaza
Omaha, Nebraska 68175

Save this notice! It may be important to you in the future.

According to your application, you intend to lapse or otherwise terminate existing accident and sickness or long-term care insurance and replace it with an individual long-term care policy to be issued by Mutual of Omaha Insurance Company. Your new policy provides 30 days within which you may decide, without cost, whether you desire to keep the policy. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy.

You should review this new coverage carefully, comparing it with all accident and sickness or long-term care insurance coverage you now have, and terminate your present policy only if, after due consideration, you find that purchase of this long-term care coverage is a wise decision.

Statement to Applicant by Agent
I have reviewed your current medical or health insurance coverage. I believe the replacement of insurance involved in this transaction materially improves your position. My conclusion has taken into account the following considerations, which I call to your attention.

1. Health conditions which you may presently have (preexisting conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay in payment of benefits under the new policy, whereas a similar claim might have been payable under your present policy.

2. State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods or probationary periods in the new policy for similar benefits to the extent such time was spent under the original policy.

3. If you are replacing existing long-term care insurance coverage, you may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.

4. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history. Failure to include all material medical information on an application may provide a basis for the Company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.

Save this notice! It may be important to you in the future.

According to your application, you intend to lapse or otherwise terminate existing accident and sickness or long-term care insurance and replace it with an individual long-term care policy to be issued by Mutual of Omaha Insurance Company. Your new policy provides 30 days within which you may decide, without cost, whether you desire to keep the policy. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy.

You should review this new coverage carefully, comparing it with all accident and sickness or long-term care insurance coverage you now have, and terminate your present policy only if, after due consideration, you find that purchase of this long-term care coverage is a wise decision.

Statement to Applicant by Agent
I have reviewed your current medical or health insurance coverage. I believe the replacement of insurance involved in this transaction materially improves your position. My conclusion has taken into account the following considerations, which I call to your attention.

1. Health conditions which you may presently have (preexisting conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay in payment of benefits under the new policy, whereas a similar claim might have been payable under your present policy.

2. State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods or probationary periods in the new policy for similar benefits to the extent such time was spent under the original policy.

3. If you are replacing existing long-term care insurance coverage, you may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.

4. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history. Failure to include all material medical information on an application may provide a basis for the Company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.

Long-Term Care Insurance Personal Worksheet

Mutual of Omaha Insurance Company
Mutual of Omaha Plaza, Omaha, NE 68175

People buy long-term care insurance for many reasons. Some don't want to use their own assets to pay for long-term care. Some buy insurance to make sure they can choose the type of care they get. Others don't want their family to have to pay for care or don't want to go on Medicaid. But long-term care insurance may be expensive, and may not be right for everyone.

By state law, the insurance company may **ask** you to fill out this worksheet to help you and the insurance company decide if you should buy this policy.

Premium

The premium for the coverage you are considering will be $_____ per month, or $_____ per year.

The company has a right to increase premiums in the future. The company has sold long-term care insurance since 1987 and has sold this policy form since 2004. The company has not raised its premium rates on this policy form, but has on similar policy forms in the last 10 years. The following is a summary of the rate increases for comprehensive coverage that the company has sold.

Policy Form	Years Available for Purchase	Rate History
NH23/NH24	1988 - 1993	No Rate Increase
LTC1/LTM1	1992 -1997	No Rate Increase
LT50	1997 - 2004	No Rate Increase
NHA/LTA/HCA	1998 – 2004	23% overall rate increase 2003
LTC04	2004-Present	No Rate Increase

The rate increases listed above represent the overall comprehensive rate increases filed nationally in 2003. The availability, rate increase amounts, and dates of approvals would vary by state.
*Or state equivalent.

☐ Have you considered whether you could afford to keep this policy if the premiums were raised, for example, by 20%?

How will you pay each year's premiums?
☐ From my Income ☐ From my Savings/Investments ☐ My Family will pay

Income

What is your annual income? (Check one)
☐ Under $10,000 ☐ $16-29,999 ☐ Over $50,000
☐ $10-15,999 ☐ $30-50,000

How do you expect your income to change over the next 10 years? (Check one)

☐ No change ☐ Increase ☐ Decrease

If you will be paying premiums with money received only from your own income, a rule of thumb is that you may not be able to afford this policy if the premiums will be more than 7% of your income.

Savings and Investments

Not counting your home, what is the approximate value of all your assets (savings and investments)? (Check one)

☐ Under $20,000 ☐ $20,000-$30,000 ☐ $30,000-$50,000 ☐ Over $50,000

How do you expect your assets to change over the next ten years? (Check one)

☐ Stay about the same ☐ Increase ☐ Decrease

If you are buying this policy to protect your assets and your assets are less than $30,000, you may wish to consider other options for financing your long-term care.

Long Term Care Insurance
Potential Rate Increase Disclosure Form

1. **Premium Rate**: Premium rate that is applicable to you and that will be in effect until a request is made and approved for an increase is $_____

2. **The premium for this policy will be shown on the schedule page of your policy.**

3. **Rate Schedule Adjustments:**

   The premium rates for this policy may change. Any change will be effective on the next billing date after the company has provided you at least 60 days written notice before we change premiums.

4. **Potential Rate Revisions:**

   This policy is Guaranteed Renewable. This means that the rates for this product may be increased in the future. Your rate can NOT be increased due to your increasing age or declining health, but your rates may go up based on the experience of all policyholders with a policy similar to yours.

   If you receive a premium rate or premium rate schedule increase in the future, you will be notified of the new premium amount and you will be able to exercise at least one of the following options:

   - Pay the increased premium and continue your policy in force as is.
   - Reduce your policy benefits to a level such that your premiums will not increase. (Subject to state law minimum standards.)
   - Exercise your nonforfeiture option if purchased. (This option is available for purchase for an additional premium.)
   - Exercise your contingent nonforfeiture rights.* (This option may be available if you do not purchase a separate nonforfeiture option.)

Turn the Page

***Contingent Nonforfeiture**

If the premium rate for your policy goes up in the future and you didn't buy a nonforfeiture option, you may be eligible for contingent nonforfeiture. Here's how to tell if you are eligible:

You will keep some long-term care insurance coverage, if:

- Your premium after the increase exceeds your original premium by the percentage shown (or more) in the following table; and

- You lapse (not pay more premiums) within 120 days of the increase.

The amount of coverage (i.e., new lifetime maximum benefit amount) you will keep will equal the total amount of premiums you've paid since your policy was first issued. If you have already received benefits under the policy, so that the remaining maximum benefit amount is less than the total amount of premiums you've paid, the amount of coverage will be that remaining amount.

Except for this reduced lifetime maximum benefit amount, all other policy benefits will remain at the levels attained at the time of the lapse and will not increase thereafter. Should you choose this Contingent Nonforfeiture option, your policy, with this reduced maximum benefit amount, will be considered "paid-up" with no further premiums due.

Example:

- You bought the policy at age 65 and paid the $1,000 annual premium for 10 years, so you have paid a total of $10,000 in premium.

- In the eleventh year, you receive a rate increase of 50%, or $500 for a new annual premium of $1,500, and you decide to lapse the policy (not pay any more premiums).

- Your "paid-up" policy benefits are $10,000 (provided you have a least $10,000 of benefits remaining under your policy.)

Things You Should Know Before You Buy Long-Term Care Insurance

Long-Term Care Insurance

- A long-term care insurance policy may pay most of the costs for your care in a nursing home. Many policies also pay for care at home or other community settings. Since policies can vary in coverage, you should read this policy and make sure you understand what it covers before you buy it.
- You should **not** buy this insurance policy unless you can afford to pay the premiums every year. Remember that the company can increase premiums in the future.
- The personal worksheet includes questions designed to help you and the company determine whether this policy is suitable for your needs.

Medicare

Medicare does **not** pay for most long-term care.

Medicaid

- Medicaid will generally pay for long-term care if you have very little income and few assets. You probably should **not** buy this policy if you are now eligible for Medicaid.
- Many people become eligible for Medicaid after they have used up their own financial resources by paying for long-term care services.
- When Medicaid pays your spouse's nursing home bills, you are allowed to keep your house and furniture, a living allowance, and some of your joint assets.
- Your choice of long-term care services may be limited if you are receiving Medicaid. To learn more about Medicaid, contact your local or state Medicaid agency.

Shopper's Guide

Make sure the insurance company or agent gives you a copy of a book called the National Association of Insurance Commissioners' "Shopper's Guide to Long-Term Care Insurance." Read it carefully. If you have decided to apply for long-term care insurance, you have the right to return the policy within 30 days and get back any premium you have paid if you are dissatisfied for any reason or choose not to purchase the policy.

Counseling

Free counseling and additional information about long-term care insurance are available through your state's insurance counseling program. Contact your state insurance department or department on aging for more information about the senior health insurance counseling program in your state.

Conversion Offer

I understand that I have been given the opportunity to exchange my Mutual of Omaha non-tax qualified Long-Term Care policy at any time during the life of the policy (if issued) without evidence of insurability. If my non-tax qualifed plan includes the Return of Premium Rider, it will be terminated once the policy is exchanged.

I also understand that **if** my current non-tax qualified Long-Term Care policy does not contain inflation and/or nonforfeiture benefits:

1. then the tax qualified plan for which I'm requesting conversion will not have such benefits; or
2. if I want inflation and/or nonforfeiture benefits under the tax qualified plan: (a) I need to contact my Mutual of Omaha representative in order to apply for coverage; (b) eligibility will be based upon my current health; and (c) premiums will be based upon my current age.
