H Agreements

Agreement – I, the undersigned, and the undersigned Producer(s), agree that (a) all answers in this application are true and complete and Mutual of Omaha Insurance Company will rely upon these answers to determine insurability, and (b) incorrect or misleading answers may void this application and any policy issued from its effective date.

If the full initial premium is paid on the date of the completed application and I am eligible for the insurance policy applied for, in accordance with the health and accident underwriting standards of Mutual of Omaha Insurance Company in effect on the date of the application, the effective date of the policy will be the date of the application, or, if later, the expiration of any replaced coverage. I agree that no temporary or interim insurance of any kind will be in effect.

The underwriting standards of Mutual of Omaha Insurance Company will not be applied to changes in health after the application date unless a medical examination (including a personal health interview) or medical test is required. In order for the policy applied for to be issued, all required medical examinations and tests must be completed, and Mutual must receive the reports from all required medical examinations and tests, and any other information (such as an Attending Physician's Statement) that is requested. If all of these requirements are met, the underwriting standards of Mutual of Omaha Insurance Company will not apply to changes in health after the application date. If I am not eligible for the insurance applied for or any substitute policy, I agree that no policy of any kind will be in effect.

No Producer can: (a) waive or change any receipt or policy provision or (b) agree to issue a policy.

I have reviewed the Outline of Coverage and the graphs that compare the benefits and premiums of this policy with and without the 5% Compound (Lifetime) Inflation Protection option. Specifically, I have reviewed options for Compound and Simple Inflation increases, and I reject the 5% Compound (Lifetime) Inflation Protection option. If I purchase another inflation protection option that is offered, that option will be included as part of my policy, as shown on the Policy Schedule/Schedule of Benefits.

Appendix 6 Mutual of Omaha Insurance Company Notice of Information Practices

In the course of properly underwriting and administering Your insurance coverage, we will rely heavily on information provided by You. We may also collect information from others, such as medical professionals who have treated You, hospitals, other insurance companies, and consumer reporting agencies.

In certain circumstances, and in compliance with applicable law, we or our reinsurers may also release Your personal or privileged information in our/their files, to third parties without Your authorization. You have the right to be told about and to see a copy of items of personal information about You which appear in our files, including information contained in investigative consumer reports. You also have the right to seek correction of personal information You believe to be inaccurate.

In compliance with applicable law, we or our reinsurers may also release information in our/their files, including information in an application, to other insurance companies to which You apply for life or health insurance or to which a claim is submitted.

So that there will be no question that the insurance benefits will be payable at the time a claim is made, we urge You to review Your application carefully to be sure the answers are correct and complete.

THE ABOVE IS A GENERAL DESCRIPTION OF OUR INFORMATION PRACTICES. IF YOU WOULD LIKE TO RECEIVE A MORE DETAILED EXPLANATION OF THESE PRACTICES, PLEASE SEND YOUR REQUEST TO: MUTUAL OF OMAHA INSURANCE COMPANY, LONG-TERM CARE SERVICE OFFICE, P.O. BOX 64901, ST. PAUL, MN 55164-0901.

Notice to Applicant Regarding Replacement of Individual Accident and Sickness or Long-Term Care Insurance

Mutual of Omaha Insurance Company Mutual of Omaha Plaza Omaha, Nebraska 68175

Save this notice! It may be important to you in the future.

According to your application, you intend to lapse or otherwise terminate existing accident and sickness or long-term care insurance and replace it with an individual long-term care policy to be issued by Mutual of Omaha Insurance Company. Your new policy provides 30 days within which you may decide, without cost, whether you desire to keep the policy. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy.

You should review this new coverage carefully, comparing it with all accident and sickness or long-term care insurance coverage you now have, and terminate your present policy only if, after due consideration, you find that purchase of this long-term care coverage is a wise decision.

Statement to Applicant by Agent

I have reviewed your current medical or health insurance coverage. I believe the replacement of insurance involved in this transaction materially improves your position. My conclusion has taken into account the following considerations, which I call to your attention.

- 1. Health conditions which you may presently have (preexisting conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay in payment of benefits under the new policy, whereas a similar claim might have been payable under your present policy.
- 2. State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods or probationary periods in the new policy for similar benefits to the extent such time was spent under the original policy.
- 3. If you are replacing existing long-term care insurance coverage, you may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.
- 4. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history. Failure to include all material medical information on an application may provide a basis for the Company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.

Notice to Applicant Regarding Replacement of Individual Accident and Sickness or Long-Term Care Insurance

Mutual of Omaha Insurance Company Mutual of Omaha Plaza Omaha, Nebraska 68175

Save this notice! It may be important to you in the future.

According to your application, you intend to lapse or otherwise terminate existing accident and sickness or long-term care insurance and replace it with an individual long-term care policy to be issued by Mutual of Omaha Insurance Company. Your new policy provides 30 days within which you may decide, without cost, whether you desire to keep the policy. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy.

You should review this new coverage carefully, comparing it with all accident and sickness or long-term care insurance coverage you now have, and terminate your present policy only if, after due consideration, you find that purchase of this long-term care coverage is a wise decision.

Statement to Applicant by Agent

I have reviewed your current medical or health insurance coverage. I believe the replacement of insurance involved in this transaction materially improves your position. My conclusion has taken into account the following considerations, which I call to your attention.

- 1. Health conditions which you may presently have (preexisting conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay in payment of benefits under the new policy, whereas a similar claim might have been payable under your present policy.
- 2. State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods or probationary periods in the new policy for similar benefits to the extent such time was spent under the original policy.
- 3. If you are replacing existing long-term care insurance coverage, you may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.
- 4. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history. Failure to include all material medical information on an application may provide a basis for the Company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.

Long-Term Care Insurance Personal Worksheet

Mutual of Omaha Insurance Company Mutual of Omaha Plaza, Omaha, NE 68175

People buy long-term care insurance for many reasons. Some don't want to use their own assets to pay for long-term care. Some buy insurance to make sure they can choose the type of care they get. Others don't want their family to have to pay for care or don't want to go on Medicaid. But long-term care insurance may be expensive, and may not be right for everyone.

By state law, the insurance company must fill out part of the information on this worksheet and **ask** you to fill out the rest to help you and the company decide if you should buy this policy.

Long-Term Care Insurance Potential Rate Increase Disclosure Form

- 1. **Premium Rate:** Premium rate that is applicable to you and that will be in effect until a request is made and approved for an increase is \$_____
- 2. The premium for this policy will be shown on the schedule page of your policy.
- 3. Rate Schedule Adjustments:

The premium rates for this policy may change. Any change will be effective on the next billing date after the company has provided you at least 60 days written notice before we change premiums.

4. Potential Rate Revisions:

This policy is Guaranteed Renewable. This means that the rates for this product may be increased in the future. Your rate can NOT be increased due to your increasing age or declining health, but your rates may go up based on the experience of all policyholders with a policy similar to yours.

If you receive a premium rate or premium rate schedule increase in the future, you will be notified of the new premium amount and you will be able to exercise at least one of the following options:

- Pay the increased premium and continue your policy in force as is.
- Reduce your policy benefits to a level such that your premiums will not increase. (Subject to state law minimum standards.)
- Exercise your nonforfeiture option if purchased. (This option is available for purchase for an additional premium.)
- Exercise your contingent nonforfeiture rights.* (This option may be available if you do not purchase a separate nonforfeiture option.)

*Contingent Nonforfeiture

If the premium rate for your policy goes up in the future and you didn't buy a nonforfeiture option, you may be eligible for contingent nonforfeiture. Here's how to tell if you are eligible:

You will keep some long-term care insurance coverage, if:

- Your premium after the increase exceeds your original premium by the percentage shown (or more) in the following table; and
- You lapse (not pay more premiums) within 120 days of the increase.

The amount of coverage (i.e., new lifetime maximum benefit amount) you will keep will equal the total amount of premiums you've paid since your policy was first issued. If you have already received benefits under the policy, so that the remaining maximum benefit amount is less than the total amount of premiums you've paid, the amount of coverage will be that remaining amount.

Except for this reduced lifetime maximum benefit amount, all other policy benefits will remain at the levels attained at the time of the lapse and will not increase thereafter. Should you choose this Contingent Nonforfeiture option, your policy, with this reduced maximum benefit amount, will be considered "paid-up" with no further premiums due.

Example:

- You bought the policy at age 65 and paid the \$1,000 annual premium for 10 years, so you have paid a total of \$10,000 in premium.
- In the eleventh year, you receive a rate increase of 50%, or \$500 for a new annual premium of \$1,500, and you decide to lapse the policy (not pay any more premiums).
- Your "paid-up" policy benefits are \$10,000 (provided you have at least \$10,000 of benefits remaining under your policy).

Things You Should Know Before You Buy Long-Term Care Insurance

Long-Term Care Insurance

- A long-term care insurance policy may pay most of the costs for your care in a nursing home. Many policies also pay for care at home or other community settings. Since policies can vary in coverage, you should read this policy and make sure you understand what it covers before you buy it.
- You should **not** buy this insurance policy unless you can afford to pay the premiums every year.
 Remember that the company can increase premiums in the future.
- The personal worksheet includes questions designed to help you and the company determine whether this policy is suitable for your needs.

Medicare

Medicare does **not** pay for most long-term care.

Medicaid

- Medicaid will generally pay for long-term care if you have very little income and few assets. You probably should **not** buy this policy if you are now eligible for Medicaid.
- Many people become eligible for Medicaid after they have used up their own financial resources by paying for long-term care services.
- When Medicaid pays your spouse's nursing home bills, you are allowed to keep your house and furniture, a living allowance, and some of your joint assets.
- Your choice of long-term care services may be limited if you are receiving Medicaid. To learn more about Medicaid, contact your local or state Medicaid agency.

Shopper's Guide

Make sure the insurance company or agent gives you a copy of a book called the National Association of Insurance Commissioners' "Shopper's Guide to Long-Term Care Insurance." Read it carefully. If you have decided to apply for long-term care insurance, you have the right to return the policy within 30 days and get back any premium you have paid if you are dissatisfied for any reason or choose not to purchase the policy.

Counseling

Free counseling and additional information about long-term care insurance are available through your state's insurance counseling program. Contact your state insurance department or department on aging for more information about the senior health insurance counseling program in your state.
