Policy Provisions

DEFINITION OF TOTAL DISABILITY

Benefits are paid to the Insured if unable because of sickness or injury to perform the important substantial and material duties of own occupation and requires a physician's care.

PRESUMPTIVE DISABILITY

A presumptive disability provision is included that presumes Total Disability if the insured suffers loss of speech, loss of hearing, loss of sight, severance and loss of both feet, severance and loss of both hands, or severance and loss of one hand and one foot.

The Elimination Period is waived and the full Monthly Business Overhead Expense Benefit will be paid for the Maximum Benefit Period whether or not a person is able to work. Covered Overhead Expenses must continue to be incurred.

RECURRENT DISABILITY

A second disability is considered a continuation of a previous disability unless it is due to an unrelated sickness or injury, or the insured has returned to work full-time for at least 12 months.

PARTIAL DISABILITY

This provision pays 50% of the Base amount for each month of a Partial Disability from an insured Injury or Sickness for up to 6 months, if following a period of paid Total Disability. The combined Total and Partial Disability Benefits cannot exceed the Maximum Overhead Expense Benefit. Partial disability is a sickness or injury that keeps the Insured from working on a full-time basis.

REHABILITATION BENEFIT

If the Insured is totally disabled, Assurity will consider helping pay the costs of a rehabilitation program. Assurity will determine the amount paid but it will not exceed 6 Maximum Monthly Business Overhead Expense Benefits. If the Insured's physician advises that the Insured would likely return to work with a rehabilitation program, it will be required. Monthly Benefits will not be paid if the Insured does not take part.

SURVIVOR BENEFIT

If the Insured dies while totally disabled and after receiving Monthly Business Overhead Expense Benefits for at least 12 months, Assurity will pay to a named beneficiary a lump sum of 2 times the Maximum Monthly Business Overhead Expense Benefit, as long as the Insured's business interest has not been sold at the time of payment. Payment of this benefit cannot cause the Maximum Overhead Expense Benefit to be exceeded.

WAIVER OF PREMIUM

Premiums waived following 90 days of Total Disability. Any premium paid that should have been waived will be refunded. Waiver stops when Total Disability stops or when the Maximum Overhead Expense Benefit has been paid, whichever is first.

Policy Provisions (continued)

SUSPENSION DURING MILITARY SERVICE

If the Insured enters active military service, coverage will be suspended. It may be placed back in force within 90 days after release from active duty at the same premium as if the Policy had remained in force.

ACCUMULATING BENEFIT

If the monthly Covered Overhead Expenses are more than the Business Overhead Expense Benefit, the excess expenses will be carried forward and paid in a later month when the monthly Covered Overhead Expenses are less than the Monthly Business Overhead Expense Benefit.

If the monthly Covered Overhead Expenses are less than the Monthly Business Overhead Expense Benefit, the excess benefit amount will be carried forward and applied to expenses incurred in a later month when the monthly Covered Overhead Expenses are more than the Monthly Business Overhead Expense Benefit.

In no event will the sum of all benefits paid during a period of disability exceed the Maximum Overhead Expense Benefit.

CONVERSION PRIVILEGE

This Policy can be converted to an Individual Disability Income Insurance Policy that is independent of incurred overhead expenses if:

- The Policy is currently in force and has been in force for at least 2 years.
- The Insured is not yet age 60.
- The Insured requests the conversion in writing.
- The Insured is not totally or partially disabled.

The Monthly Benefit under the Individual Disability Income Policy can be as much as the Monthly Business Overhead Expense Benefit under this Policy. However, the disability coverage with all companies cannot exceed the maximum disability income coverage offered to new applicants of the same Occupational Class according to Assurity's issue and participation limits at the time of the conversion request.

The premium for the new Policy will be based on the Assurity rates in effect at the time of the request. The issue age will be the Insured's nearest age at time of conversion but the Occupational Class, Elimination Period, and Benefit Period will be the same as for this Business Overhead Expense Policy.
